

JOÃO MAGALHÃES

GAME DEVELOPER & DESIGNER

Porto, Portugal | +351 938 715 890 | magalhaesjoao32@gmail.com | joomagalhaes25.github.io/portfolio

PROFESSIONAL SUMMARY

Game developer and designer with hands-on experience across Unity (2D & 3D), Unreal Engine 4, sound design, and interactive web-based projects. Delivered three award-winning titles at Mad Game Jam and led WebGL-oriented development focused on performance and accessibility. Combines strong technical execution with a creative design sensibility, having contributed sound design, composition, and mentoring within cross-functional teams. Looking to grow further within the professional video game development field, working on projects that blend creative and technical craft.
